

WILD10 Global Gathering

Oct. 4 – 6, 2013

Press Conference/Interview Schedule

Dear WILD10 media:

Thank you so much for covering WILD10!

To efficiently provide you an opportunity to interview our many speakers, we have established a **press conference schedule**. After each program block for the Global Gathering (*Oct. 4 – 6*), **speakers will come to the Press Room to answer media questions**. Please join us per the schedule below to meet with speakers. This is also an ideal time to set up a more in-depth one-on-one interview with a speaker. The Press Room is to the left after you enter the main entrance of the Palacio de Congreso.

On a regular basis we will be sending you press releases and media advisories. Be sure to check the MEDIA section of the WILD10 website for updates, speaker bios and topic background which will be posted throughout the Congress.
